

# Eminem - Evil Deeds Lyrics

---

Lord please forgive me for what I do  
For I know not what I've done

Father please forgive me for I know not what I do  
I just never had the chance to ever meet you  
Therefore I did not know that I would grow to be  
My Mother's evil seed and do these evil deeds

Momma had a baby and it's head popped off  
My Momma don't want me the next thing  
I know I'm gettin' dropped off  
Ring ring ring on the door bell  
And the next door neighbors on their front porch  
But they didn't want me neither  
So they left me on someone else's lawn  
Till somebody finally took me in

My great aunt and uncle, Edna 'n Charles  
They were the ones who were left in charge  
My elementary they gang up on me and sang this song  
It went a little somethin' like  
Mary had a little lamb, little lamb, little lamb  
Debbie had a Satan spawn, Satan spawn  
Momma why do they keep saying this  
I just don't understand, understand  
And by the way, where's my dad?

Father please forgive me for I know not what I do  
I just never had the chance to ever meet you  
Therefore I did not know that I would grow to be  
My Mother's evil seed and do these evil deeds

Predominantly, predominantly, everything's always predominantly  
Predominantly white, predominantly black, but what about me  
where does that leave me? Well I guess that I'm between predominantly  
Both of 'em, I think if I hear that fuckin' word again I'ma scream  
While I'm projectile vomiting, what do I look like, a comedian to you?  
Do you think that I'm kidding? What do I look like some kind of idi  
Wait a minute, shit, don't answer that, why am I so misunderstood?  
Why do I go through so much bullshit, it sucks bullshit, it's tush mull bish

Woe is me, there goes poor Marshall again whinin' about his millions  
And his mansion and his sorrow he's always drownin' in  
From the dad he never had, and how his childhood was so bad  
And how his mom was a dope addict, and his ex-wife how they go at it  
Man I'd hate to have it, as bad as that Mr. Mathers  
Claims he had it I can't imagine it, that little rich

Poor white bastard needs to take some of that cash out the bank  
And take a bath in it, man if I only had half of it  
Shit, if you only knew the half of it

Father please forgive me for I know not what I do  
I just never had the chance to ever meet you  
Therefore I did not know that I would grow to be  
My Mother's evil seed and do these evil deeds

Evil deeds, while I plant these evil seeds  
Please release me from these demons  
I never had any of this shit planned mom  
Please believe I don't wanna be Satan's spawn  
Never got the chance to say I'm sorry  
Now look at all the pain I caused  
Dear Santa Claus, why you not comin' this year again?  
What did I do that was so bad to deserve this?

Everything could have been so perfect  
But life ain't a fairytale, I'm about to be hoist up in the air  
Forty feet below me, there's people everywhere  
I don't even know what it feel like  
They know me 'cause I'm in this ferris wheel  
And all I wanna do is go to the mall  
And take Hailie on the carousel  
Without this crowd everywhere I go

But life is like a merry-go-round  
Here we go now, doe-se-doe now  
Curtains up, the show must go  
Now ring around the Rosie, the shows over  
You can all go home now, but the curtain just don't close for me  
This ain't how fame is supposed to be  
Where's the switch I could just turn off and on  
This ain't what I chose to be  
So please God, give me the strength  
To have what it takes to carry on till I pass 50  
Back the baton, the camera's on, my soul is gone

Father please forgive me for I know not what I do  
I just never had the chance to ever meet you  
Therefore I did not know that I would grow to be  
My Mother's evil seed and do these evil deeds

Father please forgive me for I know not what I do  
I just never had the chance to ever meet you  
Therefore I did not know that I would grow to be  
My Mother's evil seed and do these evil deeds
